

# From the desk of bunny rabbit...

Dear \_\_\_\_\_

I have been watching how hard you've been trying to be kind and helpful this year. That makes me very proud!

Because you've been such a good kid, I left you some chocolate eggs and hid lots of colorful Easter eggs for your hunt.

Your clues are:

- Look near where your toys like to rest.
- Look near a place where coats hang.
- Look near the place where you brush your teeth.

Have a wonderful Easter Day!
