

Happy  
Easter

Dear \_\_\_\_\_

Hoppy Easter!

I heard you have been such a good kid this year — being kind, helping others, and trying your best. That made the Easter Bunny very happy!

So I left you some treats and hid lots of colorful eggs for your Easter egg hunt.

Here are your clues:

Look near where books like to sit quietly.

Look where the cold snacks are kept.

Look near a cozy place where people relax.

Have a great time searching.

Hoppy Easter!
