

## How to Make Earrings (for Beginners) – 2 Designs

### Design 1: How to Make Charm Earrings

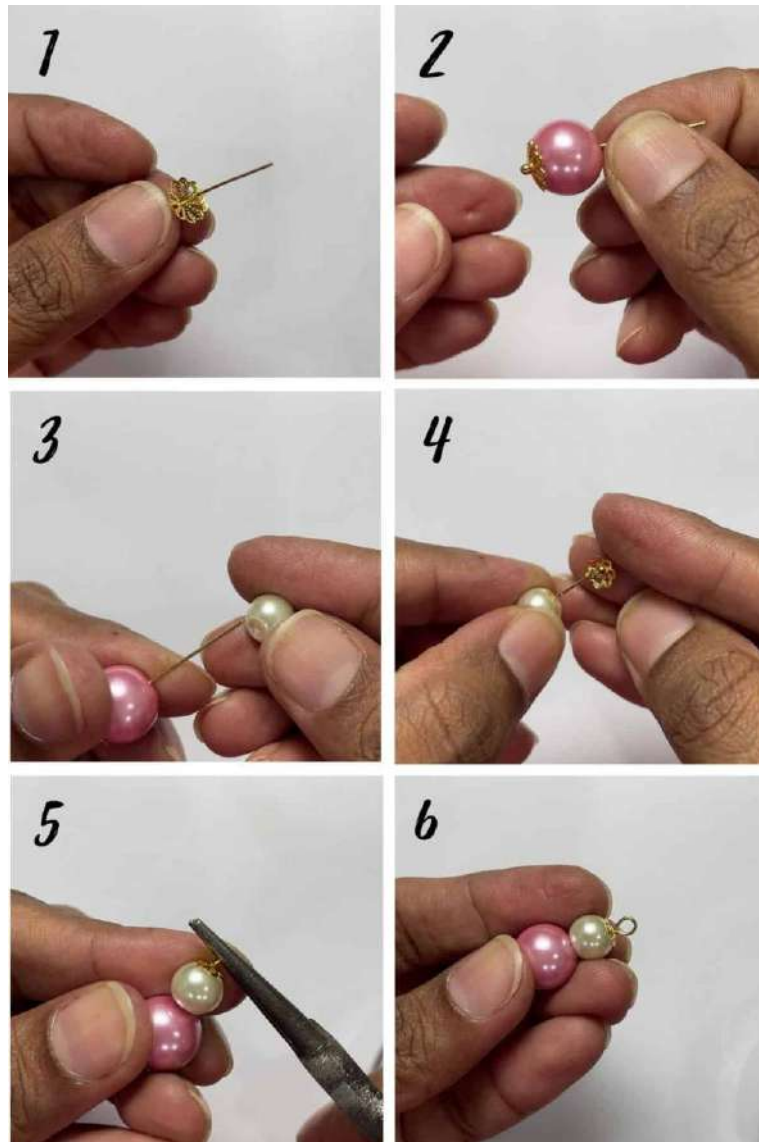

1. Twist open the small loop of the earring hooks.
2. Attach the charm to it.
3. Twist the earring hook loop to close.
4. Repeat the process to make another earring and your easy charm earrings are ready.

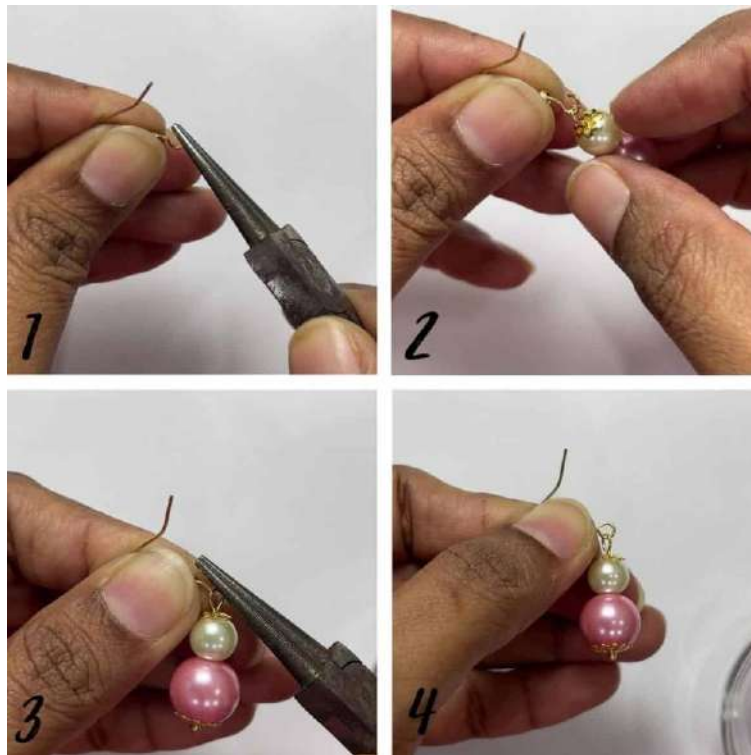

## Design 2: How to Make Bead Earrings

Step one: Make the pearl dangles

1. Insert the bead cap into the head pin.
2. Next, insert the pink bead.
3. Follow with a white bead.
4. Top the white bead with a bead cap.
5. Form a loop with the remaining headpin wire.
6. Repeat the process to make the other pearl dangle.

Step 2: Attach the dangle to the earring hook

1. Twist open the loop at the end of the earring hook with a round nose plier.
2. Insert the bead dangle.
3. Twist the loop of the earring hook close, again with a round nose plier.
4. Repeat the process for the other earring to complete the pair.
